Mike,

Sure thing. Also, you likely saw this, but Ken will be discussing the NAS meeting and presentation he gave on tomorrow's subpart X call.

Regards,  
Sasha

Hello Mike,

Please see information below for NAS webcast recording. (You may have to register to view the webcasts.) Also, I believe that Ken will be updating his slides and resending to NAS. When he has done this, we can get a copy of his presentation to you as well.

Regards,  
Sasha
